

NIH NEEDS FEEDBACK ON DRAFT RESOURCES TO SUPPORT PARTICIPANTS IN IMPLANTABLE DEVICE TRIALS!

NIH IS SEEKING FEEDBACK ON TWO DRAFT RESOURCES INTENDED TO SUPPORT THE RESEARCH COMMUNITY IN PLANNING FOR THE POST-TRIAL NEEDS OF PARTICIPANTS AND ENSURING TRANSPARENCY DURING INFORMED CONSENT.

WHO SHOULD COMMENT?

- Clinical researchers planning to conduct trials with Investigational Implantable Devices
- Clinical study participants
- Patients/caregivers/advocates
- Healthcare providers
- IRB/HRPP Members
- Members of the public

MORE INFORMATION

Information on the draft resources, including how to provide feedback can be found at: <https://bit.ly/4rSHARC>
