Dr Mamadou Coulibaly  
MRTC Bamako

Dr Jonathan Kayondo  
UVRI Entebbe

Dr Fred Aboagye-Antwi  
University of Ghana Accra

---

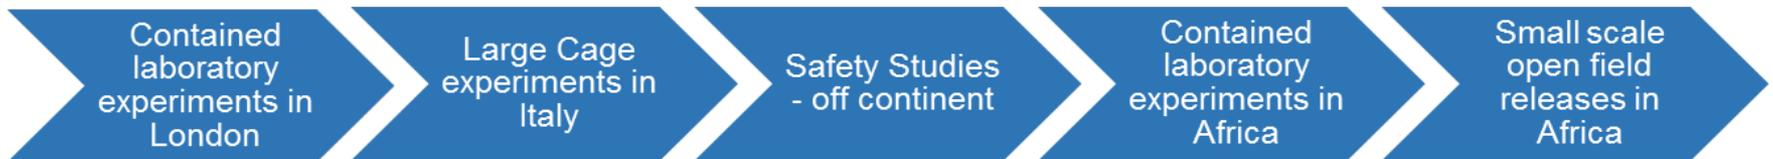

# Pathway for testing each phase

- Genetically modified
- NO gene drive
- Learning phase
- No impact on malaria mosquito numbers

- Genetically modified
- Only persists for a few generations
- NO gene drive
- Currently only available for the male bias option

- Genetically modified
- With drive
- Potential long-term and sustainable impact on malaria-mosquito numbers

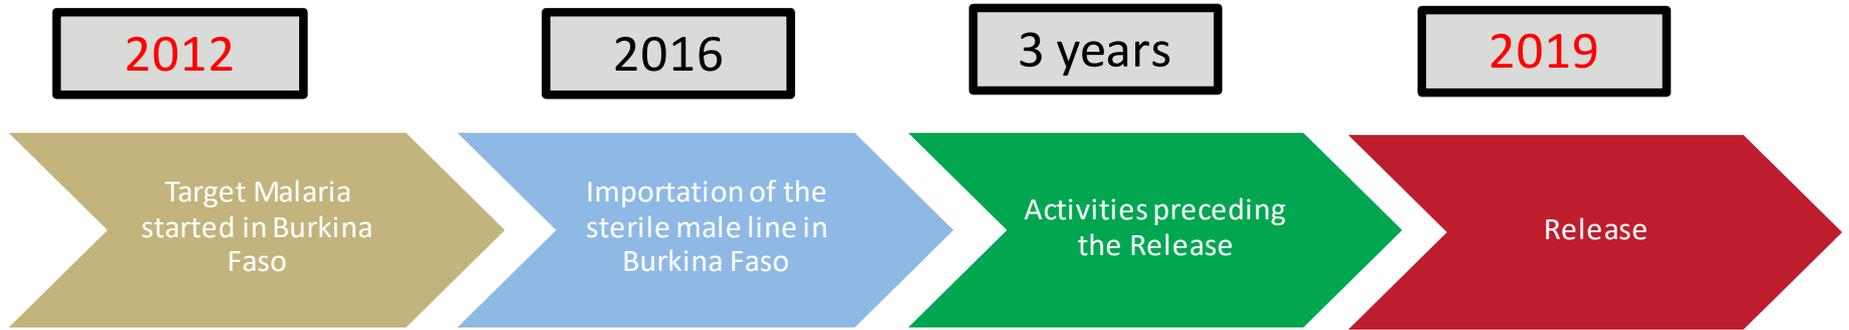

July 1st, 2019

# Stakeholder Engagement Challenges

- 
- ✓ Inclusive
  - ✓ Transparent
  - ✓ 2 ways dialog
  - ✓ Mutual respect
  - ✓ Co-development
  - ✓ common goal

A man in a black shirt and dark trousers stands next to a white sign for the "Auditorium" event. The sign lists the schedule for Wednesday 06-06-2018, Thursday 07-06-2018, and Friday 08-06-2018, including various workshops and plenary sessions. The sign also features the logo for "A/S Addressing Africa's Challenges" and the hashtag "#AIS2018".
